THE SMEX GROUP

THE SMEX GROUP OF COMPANIES HAS THE FOLLOWING SUBSIDIARIES:

The Smex Network is an essential player in our group as it is a gateway for everyone to take part in the open partnership model for our stakeholders.

The Smex Driver platform affords drivers an opportunity to start their own driving business full time or part time and earn good money.

The Smex Ride is a taxi application that will provide commuters with affordable transport services at great convenience.

The Smex Risk Management Services shall provide prompt SOS response should both our passengers and drivers be meet with a life threatening situation.

About Us

Smex Technologies Group of companies is a privately owned company founded in 2023 by South African e-hailing drivers to provide an alternative to transport services to our cities and communities around the world.

Our Group seeks to address industrial challenges by implementing sound sectorial solutions such as Networking, Technology, Mobility, Risk Management, Socio-economic Welfare as well as Automobile Services.

We believe in community mobilization, profit sharing with our stakeholders to foster smooth workmanships with our partners. We do this to make a seamless contribution within the volatile transport sector more especially here in South Africa.

ADVANTAGES OF SMEX TO PASSENGERS?

- Affordable for commuters costing a minimum of R10 per/km
- Discounts and promotions for verified customers
- Passengers must be verified to get picked up in hotspot areas
- Advanced security measures such as PANIC BUTTONS in case of emergencies

AFFILIATE PROGRAMME

SMEX Group is looking for three groups of people:

1. Smex Riders (No Joining Required)
2. Smex Drivers (No Joining Fee Required)
3. Smex Promoters (Joining Fee Required)

- Smex Drivers are encouraged to become Promoters so that they can supplement their driving income.
- SMEX Riders: JOINING IS FREE (simply download the app and enjoy riding with us)
Riders have an option to join the Promoters Business model and refer other Smex Promoters to enjoy daily and weekly earnings.

NB: Riders are required to verify their account to avoid disappointments
This is done for the safety of drivers who are killed, robbed and hijacked by criminals pretending to be commuters.
